CHAPTER Highbury

"They are all so attentive and friendly, which makes a huge difference to the overall experience. They always provide us with fun activities and help us celebrate a variety of different cultures, religions and holidays. It always feels like a home away from home"

CHAPTER Highbury II

"Is a great experience that everyone should try out at least once in their life. The students, as well as the staff, are all welcoming and kind to be around"

CHAPTER Islington

"Every month, the reception hosts different activities like a welcome party, hotpot party, Halloween party and so on to let us enjoy the time here and help us make friends!"

CHAPTER South Bank

"It's a home away from home, for me. The staff are friendly and the social spaces are full of energy"

A photograph of three young women sitting at a table on a rooftop terrace. They are all smiling and laughing. The woman on the left is holding a silver digital camera and taking a photo. The woman in the middle is also smiling and looking at the camera. The woman on the right is wearing a bright green sweater and is also smiling. They are sitting at a dark table with some drinks and a small potted plant. In the background, there is a panoramic view of a city skyline under a cloudy sky. A large orange circle is overlaid on the left side of the image, containing white text.

Our four key themes are *important* to us

All our events fall under one of our four key themes

Mindfulness & wellness

We're well aware of the stresses that come with being a student, so your health and well-being is at the forefront of our mind.

From breakfast clubs and fitness sessions, to pet therapy and stress management tips, we're here for you at Chapter.

Community & creativity

Chapter is home to residents from all walks of life, so we want to make sure we're honouring the assortment of nationalities and cultures across all our properties.

Join us to celebrate national holidays and festivities, learn new things about other cultures and try food from around the world.

Career & development

We recognise the importance of career development as a student and want to help give you the best starting point whilst staying at Chapter.

Progression sessions are scheduled throughout the year, including talks from industry professionals, CV workshops & mock interviews.

Equality & diversity

From games nights and karaoke, to fun days out and friendly competitions, it's always nice to be able to let your hair down and unlock the creativity within.

Life's not always about being serious when you're a student, so these events are the perfect opportunity to let off some steam.
