We have everything from fitness classes, game tournaments, breakfast clubs, karaoke nights, puppy therapy sessions, movie nights, parties, talks from industry professionals and much more to ensure we provide the best

social life in student accommodation. All you need to do is simply show your Chapter membership card at Reception or to one of our security guards on the door, and they'll let you through.

At Chapter, we understand that your student years should be some of your most memorable so we've prepared a step-by-step guide to living with us.

We're super excited for the year ahead.

Our four key themes are *important* to us

All our events fall under one of our four key themes

Mindfulness & wellness

We're well aware of the stresses that come with being a student, so your health and well-being is at the forefront of our mind.

From breakfast clubs and fitness sessions, to pet therapy and stress management tips, we're here for you at Chapter.

Community & creativity

Chapter is home to residents from all walks of life, so we want to make sure we're honouring the assortment of nationalities and cultures across all our properties.

Join us to celebrate national holidays and festivities, learn new things about other cultures and try food from around the world.

Career & development

We recognise the importance of career development as a student and want to help give you the best starting point whilst staying at Chapter.

Progression sessions are scheduled throughout the year, including talks from industry professionals, CV workshops & mock interviews.

Equality & diversity

From games nights and karaoke, to fun days out and friendly competitions, it's always nice to be able to let your hair down and unlock the creativity within.

Life's not always about being serious when you're a student, so these events are the perfect opportunity to let off some steam.
