Our four key themes are *important* to us

All our events fall under one of our four key themes

Mindfulness & wellness

We're well aware of the stresses that come with being a student, so your health and well-being is at the forefront of our mind.

From breakfast clubs and fitness sessions, to pet therapy and stress management tips, we're here for you at Chapter.

Community & creativity

Chapter is home to residents from all walks of life, so we want to make sure we're honouring the assortment of nationalities and cultures across all our properties.

Join us to celebrate national holidays and festivities, learn new things about other cultures and try food from around the world.

Career & development

We recognise the importance of career development as a student and want to help give you the best starting point whilst staying at Chapter.

Progression sessions are scheduled throughout the year, including talks from industry professionals, CV workshops & mock interviews.

Equality & diversity

From games nights and karaoke, to fun days out and friendly competitions, it's always nice to be able to let your hair down and unlock the creativity within.

Life's not always about being serious when you're a student, so these events are the perfect opportunity to let off some steam.

A man and a woman are standing in a modern building courtyard. The man, on the left, is wearing a dark sweater and glasses, and is holding the handlebars of a red bicycle. The woman, on the right, is wearing an orange top and dark jeans, and is also holding the handlebars of the same red bicycle. They are both smiling and looking at each other. The background shows a modern building with large windows and balconies.

but don't own a bike yet?
