We have everything from fitness classes, game tournaments, breakfast clubs, karaoke nights, puppy therapy sessions, movie nights, parties, talks from industry professionals and much more to ensure we provide the best

social life in student accommodation. All you need to do is simply show your Chapter membership card at Reception or to one of our security guards on the door, and they'll let you through.

At Chapter, we understand that your student years should be some of your most memorable so we've prepared a step-by-step guide to living with us.

We're super excited for the year ahead.

CHAPTER Highbury

"They are all so attentive and friendly, which makes a huge difference to the overall experience. They always provide us with fun activities and help us celebrate a variety of different cultures, religions and holidays. It always feels like a home away from home"

CHAPTER Highbury II

"Is a great experience that everyone should try out at least once in their life. The students, as well as the staff, are all welcoming and kind to be around"

CHAPTER Islington

"Every month, the reception hosts different activities like a welcome party, hotpot party, Halloween party and so on to let us enjoy the time here and help us make friends!"

CHAPTER South Bank

"It's a home away from home, for me. The staff are friendly and the social spaces are full of energy"

A photograph of two young women sitting at a wooden table in a modern, brightly lit living room. They are both smiling and looking at a magazine or brochure that is open on the table. The woman on the left is wearing a white top, and the woman on the right is wearing a black top with white trim. In the background, two other people are visible, one of whom is raising their hand. A lamp is visible on a side table to the right.

Our four key themes are important to us

All our events fall under one of our four key themes

Mindfulness & wellness

We're well aware of the stresses that come with being a student, so your health and well-being is at the forefront of our mind.

From breakfast clubs and fitness sessions, to pet therapy and stress management tips, we're here for you at Chapter.

Community & creativity

Chapter is home to residents from all walks of life, so we want to make sure we're honouring the assortment of nationalities and cultures across all our properties.

Join us to celebrate national holidays and festivities, learn new things about other cultures and try food from around the world.

Career & development

We recognise the importance of career development as a student and want to help give you the best starting point whilst staying at Chapter.

Progression sessions are scheduled throughout the year, including talks from industry professionals, CV workshops & mock interviews.

Equality & diversity

From games nights and karaoke, to fun days out and friendly competitions, it's always nice to be able to let your hair down and unlock the creativity within.

Life's not always about being serious when you're a student, so these events are the perfect opportunity to let off some steam.

but don't own a bike yet?

Transport for London run a bike hire scheme in collaboration with Santander with more than 12,000 bikes at over 800 docking stations across London. Simply pick a bike up at the closest docking station to your Chapter, and drop it off at the closest station to your university. Costs: £2 to access the bikes for 24 hours.

You can make as many journeys as you like within this time, and the first 30 minutes of each journey is included. Longer journeys cost £1.65 for each extra 30 minutes or less.
